The 'GOOD' News

Pastor Steve Good

Since Channahon United Methodist Church was established in 1854, this congregation has had 44 of its pastors trained for ministry at Garrett-Evangelical Theological Seminary. My wife Raney and I both received our education there to prepare us for our ministry paths. She became an ordained Deacon with an emphasis in Christian Education and I became an ordained elder, trained as a pastor.

When we were students at the Evanston school 30 years ago, the cost of schooling was a big challenge, and the loan re-payments followed us into our early years of working in churches. Scholarships provided by Garrett-Evangelical were a big help to ease the burden of what would have been an even bigger debt-load.

A seminary education is still an expensive endeavor today, but the school remains committed to provide enough support to help the students to graduate, without carrying an unmanageable debt load into their first years of serving churches. Garrett turns to churches like Channahon UMC to help this effort, recognizing that a majority of our pastors have been educated at that United Methodist seminary, and that many future pastors for this church will likely come from that same school on the shores of Lake Michigan.

Youth Group Reflection

From *Roger Beitzel*

God's Love is NOT Locked Away!

“It’s a real song, it’s a real story and it comes from a real place. For those who don’t know, our dad was locked up for five years, so that’s pretty much what inspired the song...My mom would always go to the jail and visit him and she would take me and my brother with her...It was such a touching story for us. Just looking at my mom and my dad like, wow, I love my momma for that and they’re still together to this day...We just felt like people would be able to connect with it on many different levels.”

This quote from R City’s Timothy Thomas is about their song called Locked Away. To me, it brings even more meaning to an already meaningful song —wouldn’t you agree? I haven’t met a person yet who doesn’t at least get a bit misty-eyed when watching the video, because we really do “connect with it on many different levels.”

If you don’t know the song, here’re some of the key lyrics:

“Now tell me would you really ride for me?

Baby, tell me would you die for me?

Would you spend your whole life with me?

Would you be there to always hold me down?

Tell me would you really cry for me?

Baby, don't lie to me

If I didn't have anything

I wanna know, would you stick around?”

– From Locked Away by R City

These are questions everybody asks at some time, on some level. Because deep down we long for — in fact, we crave — security, belonging and unconditional love.

But...it is also common for us to be let down, betrayed and even abandoned — right? So in many ways the questions being asked can never be answered “yes” 100% of the time, because time after time we fail in our attempts to stay faithful and true to the people we love, or the people we love let us down.

When that happens, we can feel very Locked Away. We shut the door of our feelings and throw away the key. We sit in the dungeon of our disloyalties and dishonesties wondering if there will ever be anyone who would ride for us — let alone die for us.

If that’s you, then I have fantastic news that can be life changing in so many ways...God’s love is not locked away! But don’t take my word for it — listen to the what the Bible says and let them be the key that opens the doors that keep you locked away:

Psalm 36:5-7 “Your love, O LORD, reaches to the heavens, your faithfulness to the skies.”

Jeremiah 31:3 “The LORD appeared to us in the past, saying: I have loved you with an everlasting love; I have drawn you with loving-kindness.”

Psalm 52:8b “I trust in God’s unfailing love for ever and ever.”

Ephesians 3:17-19 “...And I pray that you, being rooted and established in love, may have power, together with all the Lord’s holy people, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God.”

....Reflection continued.

And, my personal favorite,

Romans 8:35-39 “Who shall separate us from the love of Christ? Shall trouble or hardship or persecution or famine or nakedness or danger or sword?... For I am convinced that neither death nor life, nor any powers, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.”

And here’s the thing — God’s unconditional love for you is never missing and never ending! You can face anything, because you have a relationship with our God and Savior and Friend that is a rock in any storm, and an unbreakable safety net in any situation. Did you know that when you go through the difficult days, God cries right along with you?

So if you are feeling locked up and isolated from a love that is unconditional, re-read the verses above and let these words set you free. Remember, you never need to feel alone, because, honestly, God will always love you!

Outstanding Children’s Books Added to CUMC’s Resource Library

Finding the right book to help a child understand death is challenging enough. Finding books that explain death from a Christian perspective and refer to heaven is even more difficult. However, CUMC has recently purchased six books that do exactly that. Written by such noted authors as Leo Buscaglia and Beverly Lewis, these books are available for families to borrow when young ones ask questions about death or heaven. The titles are: **Badger's Parting Gifts, The Fall of Freddie the Leaf: A Story of Life for All Ages, God Gave Us Easter, The Next Place, Water Bugs & Dragonflies: Explaining Death to Children and What is Heaven Like?**

Another helpful title that was added is, **When Dinosaurs Die: A Guide to Understanding Death.** This book was written by Marc Brown, the same author who brought us the “Arthur” series of books that inspired the TV show on PBS. This book is not written from a Christian perspective, but it is written in Brown’s charming, straightforward style and does a delightful job of explaining death to children. You may borrow any or all of these titles by contacting Brittany Alcantar, Director of Christian Formation, or Roger Beitzel, Youth Leader.

We are all daughters of God
so don't be left out...

Come join in fellowship with other
daughters of our One TRUE King!

Part of our regular offerings are regularly sent to do the work of the United Methodist Church locally and beyond. One of the outreach efforts that we support through those Apportionment contributions is "Justice For Our Neighbors", a network of legal clinics who provides immigration services at no cost to new Americans who need those services. As NIC staff Rev. Michael Mann explains it, "Many who come to this country have already spent large sums on unqualified attorneys or those posing as attorneys, and they come to JFON (Justice for Our Neighbors) looking for someone they can trust to help them through the process. JFON uses volunteers to be that face of trust for its clients." We celebrate this ministry to new immigrants and our ability to help be the welcoming face of Christ to those in need.

Coffee With Harry

Back sometime ago in the 1970's, a young man started attending Channahon United Methodist Church. Soon after that, he agreed to be in charge of Fellowship Time. Sunday mornings he would get the donuts, arrive at church early and cut the donuts into bite size pieces. That was the beginning of 'Harry Breens' ministry to our church.

Week after week, year after year, for more than 40 years, he has faithfully served us. His coffee tea time has grown and grown. He always has everyone's favorite treats and drinks. He starts out early on Sunday morning to pick up the donut holes and whatever else we need. He stays after we all leave making sure everything is cleaned up and put away. The Sundays that Harry will not be in church, he makes sure the donut holes will be picked up, coffee made, drinks and treats ready to be enjoyed. Children of all ages look forward to their weekly donut holes.

Harry has always paid for everything out of his pocket. Fellowship time is and always will be Harry's ministry to our church. He gives from his heart. He is never without a smile and a good word for all.

Donations of money or supplies have always been appreciated. Now that Harry has retired we really need to step up our donations so he can continue his ministry as he has been unselfishly doing for over 40 years.

From the bottom of all our hearts, we give a big big big
THANK YOU to Harry.

**Hoverboards are NOT
allowed on Church property!**

Our Mission of the Month in January was Grace Children's Hospital. Our congregation gave \$191 through UMCOR to help prevent and cure disease and illness in Haitian boys and girls. No patient is ever turned away from Grace due to lack of funds, so the poorest of the poor are able to receive high quality care and the love of Christ through donations like ours.

Thank you for caring!

Thank You...

The joy and comfort the beautiful prayer blanket gives me is such a blessing and your love and support of prayers I will remember always. **Susan Limerman**

Thank you so much for the use of the Fellowship Hall for my daughters baby shower. The hall was just perfect and made our day even more special. **Jayne VanMeter**

Thank you for the lovely prayer blanket and prayers. They are very much appreciated. Hope to be back soon. **Linda Corp**

Words cannot express my deepest appreciation in receiving such a beautiful, warm and cuddly prayer blanket. I use it everyday knowing that with each knot is a prayer said for me. I am forever grateful for your love. **Terri Anderson**

Dear Nancy, Kris and all my other prayer warriors at CUMC. Thank you so much for the beautiful prayer blanket, it has brought me much strength and hope. **Maria Kolniak**

A Huge Thank You to all who helped clean up garbage along the I&M Canal Trail. On April 16th, 15 volunteers showed up to clean garbage along 1 1/2 mile stretch of the trail along Tryon Street in Channahon. Not only were we helping to beautify the trail for all those who use it, but we were also helping the park district. Without the volunteers they would have to send workers out to do the same task. Also, for every volunteer the park gets paid approximately \$25 per hour by the Federal Government. That money is then used to help fund other areas of the park. If you were not able to help this year, watch for the signup next Spring! Happy Spring!

Genesis 2:15

"The Lord God took the man and put him in the Garden of Eden to work it and keep it."

John 7:37b-38

"let anyone who is thirsty come to me, and let the one who believes in me drink. As the scripture has said, 'Out of the believer's heart shall flow rivers of living water.'"
